Choose Your Power & Sound

MagnaFlow xMOD Series premium performance exhaust system offers a completely modular exhaust system with the unique ability to personalize and fine tune your exhaust for the power and sound you want.

CONFIGURABLE

PERFORMANCE EXHAUST SYSTEMS

Modular Design

Interchangeable modules for quick exhaust personalization

Engineered performance

Optimized weight & dyno proven performance

Configurable Sound

From moderate to very aggressive sound note

No Drone Technology

Passive noise cancellation to eliminate unwanted droning

S E R I E S

Tuned Versatility

Aggressive and unleashed in all the right ways. The NEO Series represents the latest evolution in MagnaFlow's exhaust sound that has been redesigned and enhanced to match the advanced technology of today's performance vehicles. NEO Series is the perfect synthesis of an aggressive exhaust note that still maintains a comfortable interior experience

EXHAUST EVOLVED

PERFORMANCE EXHAUST SYSTEMS

Superior Flow

Mandrel bent pipes for maximum flow

Premium Construction

Stainless steel construction for maximum durability & finish

Today's Latest Tech

CNC precision robotic manufacturing for consistent quality performance

Peace of Mind

Performance exhaust systems are backed by a Hassle-Free Limited Lifetime Warranty

Explore Further

The Overland Series provides the performance and versatility your off-road adventures demand. Explore further with a high clearance design that improves ground clearance combined with robust stainless-steel construction to withstand the toughest terrain and climate.

TRAIL PROVEN

PERFORMANCE EXHAUST SYSTEMS

High Clearance Tip

A tucked away design within the angle of departure means the freedom to off-road without worrying about damage.

Compact Muffler Design

Tucked above the frame rail and skid plate for additional ground clearance.

Premium Construction

Stainless steel construction for maximum durability & finish

No Drone Technology

Passive noise cancellation to eliminate unwanted droning

DEVELOPED FOR THE
DRIVEN™
