WHAT WE OFFER

WHO WE ARE

Mel's Manufacturing designs and manufactures leading edge exhaust systems right in Canada. Everything from mufflers for your SUV or truck, to 4"- 5" direct fit Diesel Exhaust Kits, Mel's Manufacturing has a product that meets your exact needs, made with the highest quality materials. Our goal is to provide quality customer service along with the highest quality exhaust components made with the customer in mind to allow for easy and painless installation.

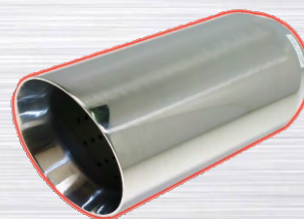

DIESEL EXHAUST

Our diesel exhaust kits are made from a 16ga CNC mandrel bent steel. Offering both aluminized and T409 stainless steel exhaust systems. we have one of the most diverse products on the market. We have direct fit exhaust kits for your Cummins, Duramax, or Powerstroke! With all pre-bent and pre-welded hangers, so you never have to guess where a pipe goes. Everything just fits right into place.

EXHAUST TIPS

We also offer the largest selection of polished T304 stainless steel exhausts tips to put the finishing touch to the best sounding exhaust in the industry! So whether you have got a diesel relic, a shiny rig right off the lot or ANYTHING in between, your performance exhaust solution is with *Mel's Manufacturing*.

PIPES & TUBING

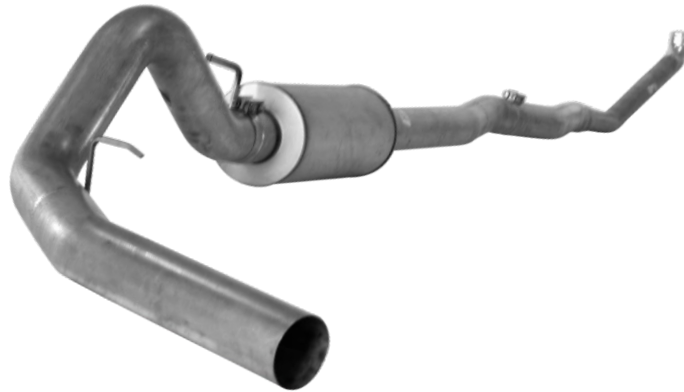

We also offer a wide selection of universal bends and x/y pipes to complement any custom exhaust setup. Our universal mandrel bends are available in aluminum, aluminized and polished T304 stainless steel. Sizes ranges from 1 1/2" to 5" OD. If it is exhaust related, we have got you covered!

50

TWISTER RESONATOR

TWISTER

RACE RESONATOR

The *TWISTER's* corkscrew baffle design provides the best performance, noise reduction, fit and affordability

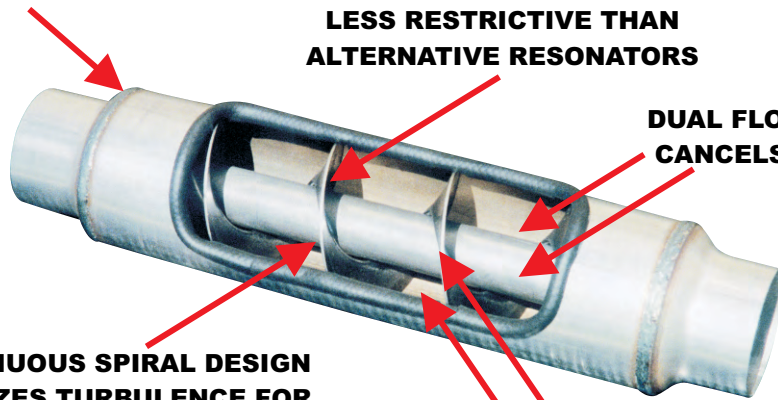

STEEL WELDED
CONSTRUCTION

OUR SPIRAL DESIGN IS
LESS RESTRICTIVE THAN
ALTERNATIVE RESONATORS

DUAL FLOW PATH
CANCELS NOISE

CONTINUOUS SPIRAL DESIGN
MINIMIZES TURBULENCE FOR
GREATER FLOW, INCREASING
HORSEPOWER OVER OTHERS

DUAL FLOW PATH CREATES A VACUUM
THAT ACCELERATES THE EXHAUST

- Race Muffler that fits in tight places
- Reduces noise to meet most track requirements
- Insignificant loss of horsepower from open headers
- Great fit for street-legal high performance cars & trucks
- Eliminates cab drone in diesel truck applications

Our systems were designed to fit factory vehicles without ANY after market 5th wheel or in-bed gooseneck hitches, chassis mods etc.

TOP OF THE LINE EXHAUST SYSTEMS

Welcome to Mel's We specialize in designing, developing, and producing high-quality diesel exhaust systems for you light duty diesel pickup truck. With our advanced manufacturing processes and commitment to research and development, we are dedicated to providing our customers with the best diesel exhaust solutions on the market.

Crafted from high-quality North American machined flanges and steel. These kits ensure a flawless fit, optimal durability, and enhanced engine efficiency.

From Downpipes, to full systems, or just a nice 70 Degree exhaust tip for your stock truck, Mel's has your performance exhaust needs taking care of.
