HIGHLINE WARREN HAS WHAT ELECTRIC VEHICLES NEED TODAY & INTO THE FUTURE

At Highline Warren we are focused on the current trends of the automotive aftermarket. We recognize the EV car parc is growing and will continue to grow. Our product selection will continue to service your aftermarket automotive needs *today and into the future*. Just look for the blue EV icon to view products that are suitable for all vehicles including EV.

Available For EV Today:

Look for the EV Icon in These Key Product Categories for EVs

- Appearance Chemicals & Accessories
- Brake Fluid & Brake Cleaner
- Cabin Air Filtration
- Coolants
- Grease
- Lighting
- RV Antifreeze
- Refrigerant
- Tire Repair
- Tools & Equipment
- Washer Fluid
- Wiper Blades

Battery Electric Vehicles Will Retain 66% of Regularly Serviced Fluids

FUTURE

Electric vehicles are projected to account for **7.6%** of the market in 2026.

Future Products

Key Maintenance Products For Electric Vehicles

- Battery Coolant
- G-48 ethylene-glycol coolant (HOAT)
- Heat Transfer Fluids (Battery, Fuel Cell, Charging)
- Drive System Fluids (Transmissions)
- Battery Chargers
- Grease (Seal Bearings, Electric Connectivity)

North America Fluids and Lubricants Market for Electric Vehicles

(by Product Type, by Application) Thousand Liters, 2018-2029

Projected Electric Vehicle Market Share of Global Sales 2030-2050

By 2030,

One in four new cars sold will be battery-powered.

By 2050,

Electric vehicles are projected to account for almost 70% of the global car parc.

FULL SYNTHETIC MOTOR OIL

dexos™1
GM APPROVED - GEN 3

Introducing dexos™1 Gen 3

dexos™1 Gen 3 is the latest generation of GM-Certified engine oil. The recently introduced engine oil specification addresses the challenge of meeting the needs of new engine hardware with

enhanced oxidation, turbocharger protection and engine cleanliness. dexos™1 Gen 3 replaces the previous dexos™1 Gen 2 specification. It is backward compatible with all previous generations of dexos™1.

Officially Licensed by GM, A Worldwide Standard

**Prime Guard Full Synthetic
0W-20 & 5W-30 Viscosity Grades**

dexos™1 Gen 3 Features:

- High resistance to oxidation
- Reduces oil breakdown
- Provides better turbocharger protection and engine cleanliness
- Fuel savings and prolonged engine life
- Fights wear and reduces friction
- Easier starts and better engine protection
- In cold weather, stop-and-go driving and towing heavy loads
- Cleaner engine operation
- Resists varnish and sludge that can affect performance
- Upgraded performance to fight deposits and sludge

PRIME GUARD®

KEEPS YOU DRIVING

- Conventional & Full Synthetic Oil, Heavy Duty Oil, Gear Oil, Transmission Fluid, Grease, Small Engine, Hydraulic Fluids
- Latest API specs of ILSAC GF-6, SP & CK-4 where applicable
- Licensed and certified products where applicable: dexos™1 Gen 3, NLGI, GM Dexron VI, Ford Mercon & Chrysler ATF +4
- Package sizes ranging from 8 oz, quarts, 5 quarts, 1 gallon, 2.5 gallon, 5 gallon & 55 gallon drums

Evolutionary Performance™

FMX® TECHNOLOGY SYSTEM DELIVERS EXTREME PROTECTION

Advanced technology in MAG 1® Lubricants provides Friction Management for Xtreme protection and delivers performance, strength and durability.

SCAN QR CODE
TO LEARN MORE

FEATURING ADVANCED FMX TECHNOLOGY IN EVERY VISCOCITY

FMX Technology stands for Friction Management for Xtreme protection™, which means it stands up to extreme heat and shearing, retains viscosity and extends oil life to protect as well on the last day as it does on the first. Even our thinnest oils protect better than the thick oils of the past.

FMX[®] **FRICTION**
TECHNOLOGY **MANAGEMENT FOR**
XTREME PROTECTION

ENVIRO BOX[®]

Benefits Include:

- An efficient strategy for increasing profits by adding additional premium product selection
- Maximize space previously used for one 55 gallon drum
- Improves inventory management
- Reduces the amount of plastic used compared to quart bottles and the cardboard box is 100% recyclable
- Tap dispenser allows for quick and easy filling

The Evolution of Protection.

The Rotella® family of products is built on the Triple Protection legacy of performance — delivering exceptional wear, deposit and oil breakdown protection.

Shell
ROTELLA

The Engine Oil That Works As Hard As You.™

Shell **ROTELLA**®

MP

Shell Rotella MP Grease ROTL 550049923 - 14oz | 10Cs

High quality multipurpose, extreme-pressure grease based on a blend of high viscosity index mineral oils and a lithium hydroxystreate soap thickener and contain extreme-pressure and other proven additives to enhance their performance in a wide range of applications.

HD

Shell Rotella HD Grease ROTL 550049925 - 14oz | 10Cs

Red lithium complex, premium multi purpose grease with excellent high temperature, anti-oxidation, anti-wear and anti-wear corrosion properties. Suitable for bearings operating at high temperature and under load such as disk brake equipped wheel bearings.

SD

Shell Rotella SD Grease ROTL 550049926 - 14oz | 10Cs

High temperature grease with molybdenum disulfide designed for lubrication of demanding applications in vehicles and equipment including high shock loads where rapid starts and stops may occur such as chassis points, sliding pins, trailer hitches and axle splines where shock loading is possible.

ET

Shell Rotella ET Grease ROTL 550049924 - 14oz | 10Cs

Lithium complex based on high viscous mineral oil for extra retention on exposed surfaces such as fifth wheel plates, springs, trailers, open pivot joints and water exposed equipment. ET greases contain anti-oxidants, EP and wear preventive additions and rust inhibitors.

Introducing Mobil™ Full Synthetic

Mobil Full Synthetic motor oil outperforms conventional oil and provides guaranteed protection that is 1.5X longer than our conventional and synthetic blend oils.* Plus, this motor oil is tested and proven to provide long-lasting protection to help extend engine life.

Mobil Full Synthetic High Mileage motor oil is specially designed for vehicles with more than 75,000 miles that require a full synthetic or are upgrading from conventional and synthetic blend oils. Formulated with extra seal conditioner, this motor oil can help protect worn seals and prevent leaks in high mileage engines.

*Guaranteed protection for 7,500 miles between oil changes compared to a guarantee of 5,000 miles or less on Mobil™-branded conventional and synthetic blend motor oils.

Visit Mobil.US for Mobil Full Synthetic limited warranty information.

From the makers of **Mobil 1**™

Heavy-duty synthetic blend diesel engine oil

Engineered for extreme performance.

Mobil Delvac™ 1300 Super

- ▶ High-performance synthetic blend diesel engine oil formulated for a wide range of applications and operating environments
- ▶ Recommended for use in a wide range of heavy-duty industries like trucking, mining, construction, agriculture, and marine
- ▶ Delivers high-performance in both newer and older engines
- ▶ Meets or exceeds the highest Original Equipment Manufacturer requirement

VALVOLINE™ PREMIUM FULL SYNTHETIC RESTORE & PROTECT MOTOR OIL

NEW

RESTORE PISTONS TO **FACTORY CLEAN.**

New Restore & Protect Premium Full Synthetic is the biggest breakthrough in motor oil since Valvoline introduced it 150 years ago. With continuous use, Valvoline's proprietary Active Clean technology removes up to 100% of deposits, while its exclusive Liqui-Shield technology works to prevent future deposit formation. A clean engine minimizes friction between metal surfaces, helping to improve fuel economy. Valvoline Restore & Protect is the best motor oil for any age vehicle, from a new car's first oil change to high-mileage vehicles. There's no other motor oil like it. Valvoline Restore & Protect Premium Full Synthetic helps maximize fuel economy, horsepower, and engine life. We made it first, so you can keep your pistons factory clean. **RENEW. RESTORE. REPEAT.**

THE FIRST MOTOR OIL TO ACTIVELY
RESTORE ENGINES & ACTIVELY PROTECT
AGAINST FUTURE DAMAGE

FACTS:

The best motor oil for any age vehicle, from your new car's first oil change to high-mileage vehicles

Minimizes friction between metal surfaces in your engine to help improve fuel economy

Valvoline Restore & Protect provides 79% stronger anti-wear protection than industry standards (vs. GF-6 qualified oil)

DISCLAIMER: Up to 100% piston deposit removal when used as directed for four or more consecutive oil changes at standard maintenance intervals, based on adapted sequence IIH testing.

PROVEN TO MAXIMIZE ENGINE LIFE.

The Heart of Technology

Micro-Tailored Engine Oils 1QT / 5QT

The latest technology backed by 110+ years of expertise

Introducing the IFG Series of engine oils from Idemitsu. Conceived by demanding driving enthusiasts, the Idemitsu IFG Series provides peak engine performance thanks to cutting-edge precision-tailored technology. Enjoy the drive.

ENGINE OILS:

IFG Series	Viscosity		Part Numbers
IFG 7	0W-16	Ultra-low viscosity full synthetic Next-gen technology and hybrids	1 QT: 30015132-75000C020 5 QT: 30015132-95300C020
IFG 5	0W-16	Ultra-low viscosity full synthetic Maximizes fuel economy	1 QT: 30015121-75000C020 5 QT: 30015121-95300C020
IFG 3	0W-20	Excellent protection with low viscosity for better power and fuel economy	1 QT: 30015203-75000C020 5 QT: 30015203-95300C020
IFG 3	5W-20	Reduces deposits and oxidation Lowers emissions and fuel costs	1 QT: 30015229-75000C020 5 QT: 30015229-95300C020
IFG 3	5W-30	Maximum performance and durability High-capacity engines and turbos	1 QT: 30015204-75000C020 5 QT: 30015204-95300C020

Meet Your Match: Transmission Fluids 1QT / 5QT

Transmission fluids specifically formulated for each OEM

Idemitsu ATF and CVT transmission fluids are factory-fill quality products engineered to meet the most stringent requirements of each brand. Our application-specific formula guarantees no shift shocks, less clutch wear, and reduced fuel and oil consumption.

AUTOMATIC TRANSMISSION FLUIDS:

Fluid Type	Vehicle Manufacturer	Trans. Specs	Part Number(s)

LIQUID ENGINEERING FOR EVERY ENGINE

Whatever car you drive, and whatever the manufacturer's specification, there is a Castrol motor oil that has been created by our Liquid Engineers to provide the best possible protection. That's a fact whether you want conventional motor oil, semi synthetic or full synthetic. It's also true whether you drive a late model, high performance car from a European manufacturer or a high mileage American classic.

**LUBRIPLATE NO. 105
MOTOR ASSEMBLY GREASE**

**THE POWER
TO PROTECT!**

THE ORIGINAL WHITE GREASE FOR ENGINE REBUILDING

- Provides lubrication during initial start-up before the motor oil circulates.
- Prevents damage and wear on camshafts, lifters, pistons and bearings.
- Protects freshly machined engine parts from rust and corrosion.
- Contains a zinc-oxide anti-wear additive.
- Quickly dissolves into the motor oil - will not clog filters or oil lines.

Lubriplate® Lubricants

By CRC Industries

Sta-Lube

STA-LUBE®, founded in 1933 and an innovator in the use of additives to create high performance motor oil, was acquired by CRC in 1995. Today CRC supplies the broad line of STA-LUBE "Intentionally Better Products," including greases, gear oils, service oils and fluids, hand cleaners, additives and lubrication equipment, all rigorously tested to meet OE specs and the highest quality standards.

PRESTONE COMMAND® HEAVY DUTY NITRITE FREE ELC WITH COR-GUARD™ ANTIFREEZE/COOLANT

New!

NEW NITRITE FREE NON-2EH (OAT) FORMULATION

Prestone Command® Heavy Duty Nitrite Free ELC with Cor-Guard™ Concentrate and 50/50 Antifreeze/Coolant is intended for use and compatible with ANY nitrite free HD Organic Acid Technology (OAT) coolant in ANY diesel powered commercial vehicle engine or stationary engine with aluminum or other engine metals. Its patented and advanced nitrite free OAT formulation is based upon a concentrated blend of premium long-lasting inhibitors designed to provide up to 1,000,000 miles / 20,000 hours* of protection against temperature extremes, rust, cavitation corrosion, scale and premature water pump failure. When used as directed, Prestone Command® HD Nitrite Free ELC with Cor-Guard™ may be added to any OAT antifreeze/coolant of any HD commercial or stationary engine. Meets Cummins® and Detroit Diesel® Performance Requirements.

PRESTONE COMMAND® HEAVY DUTY EXTENDED SERVICE INTERVAL ANTIFREEZE/COOLANT

Prestone Command® Heavy Duty Extended Service Interval Concentrate and 50/50 have advanced corrosion protection technology. The pre-charged extended service interval (ESI) technology product is compatible with ANY conventional heavy duty coolant and ALL filter technologies. Prestone Command Antifreeze/Coolant can be used with ANY antifreeze/coolant in ANY heavy duty engine used in normal to severe duty cycles and extreme temperature conditions. These products will provide protection against freezing, overheating, cavitation erosion, corrosion, and scale & foaming without the need of the initial fill and maintain extended service protection when added to any HD ESI antifreeze/coolant.

Opteon™ YF

Automotive Refrigerant R-1234yf

Automotive OEMs Using R-1234yf

No matter which make or model, always refer to the SAE sticker under the hood BEFORE SERVICING to know the type of refrigerant the vehicle's system requires.

GET THE JOB DONE FASTER.

With Opteon™ YF 12 oz Self-Seal Cans

**50%
MORE
PER CAN!**

SAME SIZE CAN, BUT 50% MORE REFRIGERANT INSIDE

Don't be fooled. Other R-1234yf cans are the same size, but contain only 8 oz of refrigerant.

THE RIGHT AMOUNT FOR THE JOB

When deciding which can of R-1234yf to buy, remember that of the 15 top-selling vehicles in the US in 2020¹, 10 of those vehicles have R-1234yf systems with a charge size ranging between 17-24 oz². That means only two 12 oz cans of Opteon™ YF will do the job. It would take three 8 oz cans of other R-1234yf refrigerants to do that same job. Save time, money, shelf space and reduce waste with Opteon™ YF 12 oz cans.

1 - Capparella, J. (2020). 25 Best-Selling Cars, Trucks, and SUVs of 2020. Car and Driver. <https://www.caranddriver.com/news/g32006077/best-selling-cars-2020/>.

2 - Hybrid models were excluded. Charge size data pulled from an independent study which surveyed R-1234yf charge sizes for over 900 model year vehicles.

R-1234yf Usage in the USA:

It is critical that your customers have a plan to service R-1234yf vehicles, or they will soon be left behind!

>90%

New cars manufactured for sale into the US in 2021 use R-1234yf

80 million

Cars on the road in the United States use R-1234yf

30%

Total registered vehicles in the United States use R-1234yf

15 million

Cars using R-1234yf come off warranty each year

All data reflects Chemours estimates as of December 2021

The Evolution Of Automotive Refrigerants

1939

**R-12**

GWP = 10,900 | ODP = 1.0

1992

**R-134a**

GWP = 1,430 | ODP = 0

2013

**R-1234yf**

GWP = <1 | ODP = 0

OEMs have reduced their environmental impact by transitioning to refrigerants with lower ozone depletion potential (ODP) and lower global warming potential (GWP).

CPS AUTOMOTIVE - CPRS

Drop Shipped

cps[®] Automotive

CPS Automotive proudly presents the latest in ease and endurance with its FX Series line of Refrigerant Management Centers that quickly and efficiently recover, recycle, and recharge automotive AC systems.

FEATURES

- 7" Color touch screen control panel
- Motor-controlled ball valves
- 1-2-5 Warranty
- Dual handle bars/hose drapes
- Displays maximum load up to 220 lbs. (up to 100 kg)
- Foam-filled wheels
- Refrigerant Management System monitors filter life and refrigerant usage
- Patented unique, fast and complete refrigerant change over system

SPECIFICATIONS

- 50 lb. recovery tank (two with FX3030 and FX3030W)
- 1.13 Hp oilless compressor
- Recovery rate = Up to 1 lb./min
- 6 CFM vacuum pump/ 50 micron rated
- 3.5" Gauges
- 10' Power cord
- 115v, 850 W

Part No.	Certification	Refrigerant
MSX134	SAE J2788H	R134a
MSX1234	SAE J2843	R1234yf
MSX3030	SAE J3030	R134a & R1234yf

REVOLUTIONARY TECHNOLOGY

- Supports multiple languages/UOM
- A/C Systems capacity database included
- Quickly access all functions from the main screen
- Manifold mode enable printing a snap-shot of pressures before and after service

BlueDevil®

NEW

FLUID OIL SYSTEM REPAIR

OEM Power Steering Fluid

High Mileage Multi-Vehicle Formula

Specially formulated to be compatible with GM, Ford, & Chrysler power steering systems. Recommended for complete fluid refill or top off.

- Helps prevent wear & corrosion
- Helps quiet annoying squeals & squeaks
- Smooths & eases steering operation
- Helps prevent slippage

#BDEV 70229 | 12oz

#BDEV 70230 | 32oz

Power Steering Fluid with Stop Leak

High Mileage Multi-Vehicle Formula

Specifically formulated to stop leaks by softening and conditioning hardened seals and gaskets. Seals and gaskets in older vehicles dry out, harden and shrink causing system leaks. It is compatible with synthetic and conventional fluids.

- Prevents & stops leaks
- Restores worn seals
- Helps stop noise & wear
- Improves vehicle longevity & performance

#BDEV 70231 | 12oz

#BDEV 70232 | 32oz

Motor Flush

Premium High Mileage Multi-Vehicle Formula

Specially blended formula of solvents and lubricants is designed to remove sludge, gum and varnish that can buildup over time in an engine's crankcase and lubricating oil system. Flushing the crankcase can extend engine life, reduce emissions, improve performance, and free up sticky valves and lifters.

- Removes sludge, gum & varnish buildup
- Frees up sticky valves & lifters
- Improves performance

#BDEV 70233 | 32oz

A STRONGER, SAFER, SMARTER PARTS WASHING SYSTEM

SMARTWASHER® SW-423 MOBILE PARTS WASHER KIT

Parts cleaning in preventative maintenance & repair facilities, industrial manufacturing plants, automotive repair shops, metal fabricators.

CRCC14740

Each kit includes: 1 SW23 SmartWasher® Unit, 3 5-Gallon jugs of SW4 cleaning fluid, and 1 regular grade FL4 Ozzymat™ filter.

SMARTWASHER® FL-4 OZZYMAT® MULTI-LAYER FLUID ACTIVATION MAT

For use with SmartWasher Parts Cleaning System

CRCC14124

One filter with multiple layers for heavy use applications.
6/Cs

SMARTWASHER® OZZYJUICE® SW-4 HEAVY DUTY DEGREASING SOLUTION

An aqueous Industrial Strength, pH neutral, VOC-free, non-corrosive, non-flammable, biodegradable cleaning fluid for use in the SmartWasher® Parts Washing System.

CRCC14148

5 GAL

SMARTWASHER® OZZYJUICE® SW-3 TRUCK GRADE DEGREASING SOLUTION

An aqueous Industrial Strength, pH neutral, VOC-free, non-corrosive, non-flammable, biodegradable cleaning fluid for use in the SmartWasher® Parts Washing System.

LONG-LASTING

SURFACE SHIELD® RUST PROTECTANT

B'laster Surface Shield® is the longest lasting, Rust Protectant on the market. This unique formula is easy to apply and provides complete corrosion protection for all metal surfaces, equipment and moving parts. It's the best defense in fighting rust.

Features:

- Extreme Moisture-Wicking Action
- Long-Lasting Lubrication
- Safe, Lanolin-Based Formula
- Use on All Metal Surfaces & Moving Parts

PROTECTS ALL METALS

LONGEST LASTING
rust protectant on the market

MOISTURE WICKING
extreme protecting action

SAFE FORMULA
lanolin-based formula

ALL METAL SURFACES
use on all equipment and parts

JET SPRAY CARB/CHOKE & PARTS CLEANER

Overtime, carburetors and choke valves can become clogged with gum, varnish and dirt, affecting performance. Gumout® Carb/Choke & Parts Cleaner quickly removes these deposits from the inside and outside of the carburetor to improve engine performance and fuel economy. It also effectively cleans all nonpainted metal parts and surfaces.

*Helps stop hard starting
& rough idling*

KEEP THAT ENGINE ALIVE!

You've worked hard to attain your dream. That's why you need to protect it with **Lucas Oil Stabilizers**. They provide added lubricity to protect against extreme friction, heat, and destructive dry starts. They allow your engine to work at maximum efficiency with minimum wear. **Lucas Engine Oil Stop Leak** rejuvenates worn seals and reduces oil consumption, ensuring optimum oil capacity when it's needed most. That means a long, healthy life for your prized automotive treasure.

Professional Grade Cleaners & Fluids for The Professional Automotive Service Provider

Training and Rewards Program

Learn More. Sell More. Earn More. Win!

CONTACT YOUR SALES REP FOR MORE INFO

Learn More at: FullThrottleProducts.com

Do You Have What It Takes To Be A Certified Tech Head?

Join Tech U® Today FREE at www.itwproap-u.com

Why Join?

Training!

- Enhance Knowledge and Confidence to Recommend Services, Answer Customers Questions and Perform Services Correctly
- Increase Sales and Profits
- Take all Six Courses: Fuel, Engine Oil, Transmission, Power Steering and Wiper Blades
- Accessible 24/7 via Smart Phone, Tablet, PC or Laptop
- Receive a Framed Certificate of Completion and a Certified Tech Head Hat
- Become Eligible to Participate in the Rewards Program
- To Get Started, Visit www.itwproap-u.com Today

What's In It For You?

The Rewards Program!

- Purchase and Sell Full Throttle® Fuel System Cleaners and Kits, Oil System Cleaners, Oil/Engine Treatments, Transmission Treatments and Power Steering Fluids to earn a reward.
- Each product now features a QR Code Reward Label
- Earn Points for each product/service sold
- Manage Your Account and Redeem Points for CASH. Get paid via check, PayPal or Direct Deposit.
- Compete for the Grand Prize of \$10,000 CASH OR one of forty secondary cash prizes

It's As Simple As...

For More Information, Call Your Distributor Sales Representative or Learn More at www.fullthrottleproducts.com or www.itwproap-u.com

OPTIMUM EASY DISASSEMBLY

Seals Strong, Removes Fast!

Developed with the mechanic and DIYer in mind, Permatex Optimum Easy Disassembly reduces clean up time by up to 90%! No more wasted time prying and scraping old RTV off of your parts. Apply Optimum Easy Disassembly as

normal and when it comes time to take apart, all you have to do is loosen the parts from each other and peel away the gasket maker with your fingers. Its that easy! Permatex Optimum Easy Disassembly Seals Strong and Removes Fast.

Triple Threat

CLEANS • DEGREASES • DISINFECTS

Spray Nine®

The most versatile cleaner in your arsenal!

Spray Nine®'s Heavy-Duty Cleaning, Degreasing and disinfecting action tackles the toughest stains, grease, grime and bacteria where others fail. Spray Nine®'s "Triple Threat" formula delivers professional strength performance and trusted by Manufacturers, Auto Technicians and DIY'ers for over 60 years. Contains no bleach and destroys odors.

Applications:

- Equipment & Tools
- Fiberglass
- Vinyl
- Tires & Trim
- Bumpers
- Door panels
- Plastic
- Center console, dashboard
- Work bench
- Upholstery, Carpet
- Cars, Trucks, SUV's, Van's
- Trailers
- RV's, Boats, Jet Ski's
- Bug splatter
- Mold & Mildew

INTENSE™

GRAPHENE ARMOR NANOTECHNOLOGY

The graphene nanoplatelets weave with shine enhancers and hydrophobic polymers to provide insane slickness and protection.

Graphene Tire Shine

Protects your tires while delivering a streak-free shine.

Boosts black color depth and richness. Water Resistant

BKMG120177 | 16 oz | 6/cs

Graphene Quick Detailer

Insane Streak-free Shine, Durability & Protection.

Boost gloss, slickness and color depth of painted surfaces. Protects against water spots, environmental elements and chemical contaminants. Protects against UV. Black Cherry Scent

BKMG120182SRP | 23 oz | 4/cs

INTENSE™ TIRE WET™

Lasts Up To 4 Weeks!

Gives you the most intense tire shine. Tire Wet uses an even coat technology that eliminates streaking and gives your tire a mirror-like finish!

Trigger 23 oz

BKMG120080 | 4/cs

Aerosol 17 oz

BKMG120079 | 4/cs

CERAMI-X™

**GLASS CLEANER +
WATER REPELLENT**

HydrophobiX Technology

Top-of-the-line hydrophobicity and proprietary HydrophobiX Technology provides unrivaled water beading and optimal driving visibility.

Streak-free and easy to apply formula
– simply spray on and wipe off.

One application is all you need to give
your vehicle enhanced gloss, slickness,
and color depth.

Plus the top-of-the-line water beading
from Rain-X® in order to withstand and
outsmart the elements!

The Rain-X® trademark is registered and licensed by Illinois Tool Works Inc.

YELLOWTOP® BATTERIES

The YELLOWTOP is a high-performance AGM battery- one of the few true dual-purpose automotive batteries available. With premium cranking power and impressive cycling capability, it is also perfect for modern accessory-loaded vehicles. Low internal resistance also provides more consistent power output and faster recharges.

REDTOP® BATTERIES

The REDTOP is a high-performance AGM battery- the ultimate starting battery and is designed to deliver a strong burst of ignition power for a reliable start-up every time. It has high-power delivery and extreme resistance to the most common causes of battery failure.

BLUETOP® BATTERIES

The BLUETOP is a high-performance AGM battery with exceptional running time and more recharges than you'd get out of a traditional battery. This flexible boat battery and RV battery is ideal for those who need a sure-starting, strong-cranking, maintenance-free power source.

Please refer to your owner's manual for applications specific to your vehicle's year, make, & model.

PRIME GUARD FILTERS

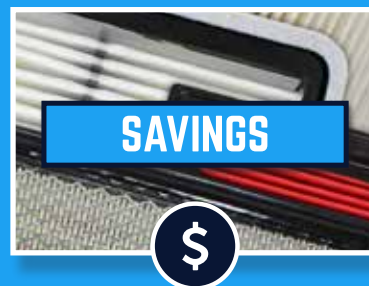

ORIGINAL REPLACEMENT FIT & FUNCTION

98% automotive & light truck coverage with over 1,000 part numbers.

Prime Guard Filters are warrantied against manufacturer defects in workmanship, design, and materials.

Prime Guard Filters are a great customer value and are made affordably.

DOMESTIC, IMPORT & LIGHT TRUCK APPLICATIONS

You can count on Prime Guard Filters to consistently have the filters you need & use everyday!

OIL FILTERS

- Prime Guard Oil Filters are designed to meet recommended oil change intervals.
- Prime Guard Oil filters have been tested for quality fit and function.
- Prime Guard Oil Filter media is designed for maximum efficiency and capacity.
- Prime Guard Oil Filters are warrantied against manufacturer defects in workmanship, design, and materials.

AIR FILTERS

- Prime Guard Air Filters are designed to deliver optimal filtering efficiency and maximum protection for your engine.
- Prime Guard Air filters have been tested for quality fit, and function.
- Prime Guard Air Filters are a great customer value.
- Prime Guard Air Filters are warrantied against manufacturer defects in workmanship, design, and materials.

CABIN FILTERS

- Prime Guard Cabin Air Filters are designed to remove dust, pollen, and allergens.
- Prime Guard Cabin Air filters have been tested for quality fit and function.
- Prime Guard Cabin Air Filters are a great customer value and are made affordably.
- Prime Guard Cabin Air Filters are warrantied against manufacturer defects in workmanship, design, and materials.

FUEL FILTERS

- Prime Guard Fuel Filters are designed to protect fuel injection systems from contaminants that may be in the fuel.
- Prime Guard Fuel Filters have been tested for quality fit and function.
- Prime Guard Fuel Filters are a great customer value and are made affordably.
- Prime Guard Fuel Filters are warrantied against manufacturer defects in workmanship, design, and materials.

Manufactured by a QS9000/ISO9001/TS16949 Certified Company

PRIME GUARD®

SYNTHETIC OIL FILTERS

HIGH PERFORMANCE

HIGH PERFORMANCE SYNTHETIC OIL FILTERS

- Filters out 99% of contaminants at 30 microns for longer engine life
- Upgraded anti-drain back valve to keep more oil in the filter at engine start up
- Enhanced high temperature gasket for better seal and longer life

Upgraded performance - Structural components in the filter have been upgraded to help provide even longer-lasting protection.

Increased protection - The Mobil 1 Extended Performance oil filter now guarantees protection for one year or 20,000 miles, whichever comes first, and meets the requirements of the Mobil 1™ Annual Protection motor oil limited warranty.

rainx®

LONGITUDE™

Developed for Extended Durability and Long-Lasting Performance.

Rain-X® Longitude™ is engineered to perform in inclement weather conditions and withstand the elements, such as UV and ozone exposure, that cause rubber deterioration.

ANATOMY OF THE RAIN-X® LONGITUDE™

Symmetrical Spoiler 3D Air Control System
Minimizes Wind Lift For Optimal Wipe Performance

Uniclick™ Adapter System
Easy-To-Install Adapter System With Interchangeable Adapters For Maximum Coverage

Tough Aerodynamic End Clips
Impact And Slam Resistant with Chamfered Edges

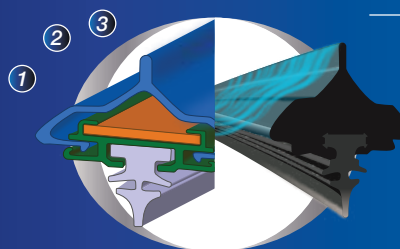

Metallic Spline
Curvature Optimized To Fit And Conform to Windshield

Manufactured with Industrial-Grade T24.7™ Rubber
Engineered with UV & Ozone Damage-Resistant Rubber With Friction Reduction Coating For All-Weather Performance

Aerodynamic Spoiler

3 Points To Control The Air Flow

1. Air Guidance
2. Creation of downforce
3. Evacuation of air flow

ALL-WEATHER PERFORMANCE

WINTER

SPRING/FALL

SUMMER

MORE RESISTANCE TO RUBBER CRACKING*

DYNAMIC OZONE TEST RESULTS

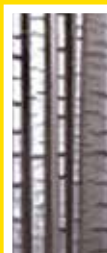

Specimens exposed to 100pphm @ 40°C

IMPROVED DURABILITY*

The Rain-X® Longitude™ squeegee is more resistant to cracking compared to a natural rubber squeegee, based on third party testing. This means less streaking and better driving visibility for a smooth, flexible and chatter-free wipe.

NATURAL RUBBER SQUEEGEE

48 HOURS

CRACKING

rainx® LONGITUDE

168 HOURS

NO CRACKING†

rain-x®

LATITUDE® WATER REPELLENCY

Increase Your Profits with Unique Water-Repelling Technology

FEATURES:

- **Water Repelling Coating** – Dramatically improves visibility as Rain-X® water-repelling technology is applied to the windshield by the wiper blades and lasts for months.
- **Easy Installation** – First in class pre-installed, universal connector system installs in minutes and fits 95% of all vehicles on the road – **No Adapters Required!**
- **Advanced, Beam Style Technology** – Premium blade contours to the curvature of the windshield for a smooth, virtually streak-free wipe.
- **All-Weather Performance** – Synthetic blend rubber squeegee can withstand all extreme weather conditions for enhanced durability.
- **Reduced Noise & Wind Lift** – Aerodynamic spoiler prevents wind lift and delivers quiet wipe.

Broader Coverage = MORE SALES

- Pre-installed adapter in 12 sizes* for 95%* car park coverage
- Only Rain-X® blade to cover Narrow PTB wiper arms

* Sizes Available: 14", 15", 16", 17", 18", 19", 20", 21", 22", 24", 26" and 28"
CASE QTY: 5

UNIQUE WATER REPELLING TECHNOLOGY – HOW IT WORKS:

- Rain X® Latitude® Water Repellency blades work by transferring a Rain X® water-repelling coating from the wiper squeegee to the windshield.
 - For optimal water repellency activation, run wiper blades dry on clean glass after installation for 2 minutes to activate Rain-X® water-repelling technology.
- Provides performance comparable to Rain-X® Original Glass Water Repellent.
 - Benefits: Will last up to 6 months
- Proven technology
 - Extensive fleet testing shows long-term durability, great performance and high consumer satisfaction.

**NO PACKAGED
ADAPTERS REQUIRED**

EASY INSTALLATION

PRE-INSTALLED UNIVERSAL ADAPTOR SYSTEM – HOW IT WORKS:

- Pre-Installed
- No additional adapter pieces in package
- Covers all of the most prominent arm types – **95%* OF VEHICLES**
- Mix of arm types covered changed slightly to reflect shifts in prevalence vs. current Rain-X® Latitude®
- Proven technology and design: Extensive fleet testing confirmed excellent performance, easy installation and clear instruction

Freestanding Retail Display

9000 Series Four Wing Automotive Wiring Display

The '9000 is a Four Wing Display was specifically designed for our Automotive parts retailers.

This attractive, heavy-duty display contains items that are in high demand, guaranteed to maximize your revenues while using the least amount of floor space... while giving your customers what they need!

This Display features a wide selection of the most sought after automotive electrical items.

- Three Types Heat shrink wire terminals including "Crimp Seal" and "Crimp Solder & Seal"
- Our Best Selling 5023F Ratchet Crimper Tool
- Wire (5 Gauges - 10 colors each)
- Fusible Link Wire
- Vinyl wire terminals
- Nylon wire terminals
- Switches and indicator lights
- Trailer wire
- Trailer plugs and adapters
- Common automotive sockets
- Weather pack and metri pack connectors
- Wire tools and testers
- Heat shrink tubing
- Split loom tubing
- Wire ties
- Fuses and fuse holders
- Wire clips
- 447 SKUs total! *Two Items Per Hook*

Display ships directly from the Vendor

THE **BEST CONNECTION** INC.

HOSE CLAMPS

6202V 1/4" to 5/8"	1	7.14
6203V 5/16" to 7/8" 2CD	1	7.14
62P0551 Mini Micro Gear Clamp 62Pk	1	9.03

ONE-PIECE HOUSING

One piece mechanically interlocked housings are made from a single stamping with no tabs or stakes that can fail under higher tightening torques

MULTIPLE BAND WIDTHS

Our three piece clamps are produced in a multitude of band widths in a large variety of sizes, traditionally sized in increments of 1/16"

RECTANGULAR SHAPED NOTCHES

The rectangular notch design utilizes a radius at each corner which minimizes stress cracking under higher band loads and enhances the overall strength of the band

NATIONAL PIPE THREAD TAPS

- Precision cut threads, accurately formed for consistent, exact threading.
- Heat treated and tempered for file hard threads, and longer, useful life.
- Designed for hand cutting applications.
- National pipe thread tap sizes for internal threading on all type of pipes.

MACHINE SCREW & FRACTIONAL DIES

- Precision cut threads, accurately formed for consistent, exact threading.
- Heat treated and tempered for file hard threads, and longer, useful life.
- Designed for hand cutting applications.

MILL FILES

- Single cut for general purpose sharpening and smoothing over flat surfaces.

HALF ROUND FILES

- Double cut on both sides for rapid stock removal on concave and flat surfaces.

1 STEERING WHEEL

2 GEAR SHIFT

4 FLOOR BOARD

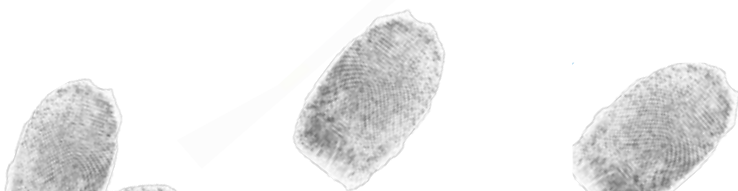

3 DRIVER'S SEAT

ESSENTIAL *Touchpoints*

Now more than ever, keep vehicles clean & protected!

There are 4 major touchpoints inside a vehicle that come in close contact with the driver and the service technician. It is recommended that these areas are covered and protected with the inexpensive disposable products below so when the vehicle is returned to the customer, it is free from dirt, grime, oil, grease, and germs.

*Protect
the customer
AND the
technician!*

TERMS & CONDITIONS

General Terms:

Highline Warren LLC ("Seller", also referred to herein as "us" or "we") may revise the general terms herein at any time without notice. You ("Customer") should visit Seller's website or request updated terms periodically to make sure you are aware of the most recent general terms binding upon you. After any changes to Seller's standard terms and conditions occur, your purchase of products from Seller constitutes your agreement to such changes.

Terms of Sale:

All orders are subject to Seller's acceptance of a purchase order ("PO") and availability of products. Prices are subject to change and will be based on PO receipt date. Given the nature of our business and variety of merchandise, we reserve the right to limit quantities. Prices do not include any applicable local or state taxes. Additional terms and conditions applicable to the purchase, sale, shipment, or use of Seller's products may apply. Contact Seller or your sales representative for more information.

Payment Terms:

Seller's preferred manner of receiving Customer payments is ACH. To establish ACH payments please contact us at credit@highlinewarren.com. Seller, in its sole discretion, may extend credit terms to customers; contact your sales representative to discuss eligibility and additional terms. Our standard payment terms for customers who qualify for credit terms are 1% 10 days / Net 30. Cash on Delivery (COD) orders may be paid by ACH, check, or credit card. Customers that choose to pay by Credit Card will be charged a 2.25% convenience fee. It is our policy to not accept credit cards for Customers who have payment terms unless payment is submitted at the time of order. A \$30 charge will be applied to all returned checks.

Past Due Customers:

We reserve the right to hold shipments for any Customer who is past due or over their pre-established credit limit. Interest shall accrue on any delinquent amounts owed at the lesser of eighteen percent (18%) per annum or the maximum rate permitted by applicable usury law. Past due accounts paid by credit card may be charged a convenience fee, not to exceed the lesser of three percent (3%) or the amount allowable by law. Customer is responsible for all reasonable costs associated with the collection of past due amounts owed, including attorneys fees.

Minimum Order:

\$250

Minimum Order to qualify for Prepaid Freight:

\$1,500

Shortages or Damages:

DO NOT ACCEPT SHIPMENTS WITHOUT COUNTING CARTONS AND INSPECTING PRODUCTS. All orders shipped from Seller come with a piece count on the bill of lading, even if shrink-wrapped. Signing for wrapped pallets without counting cartons and checking for damages leaves the Customer responsible; neither Seller nor the freight company will be responsible for damages related thereto. Seller must be notified of any shortages or product damages within 14 calendar days from ship date.

Return Policy:

No product returns without prior written authorization from Seller will be accepted. Any approved return products must be in sellable condition and we do not accept returns of any seasonal merchandise, special orders, packages that have been opened, or items that have price stickers on them. All returns must be initiated within 90 days of invoice date. Customer pays freight on all returns unless arising from Seller's errors or product damages.

Tool Warranty Policy:

Seller honors all applicable manufacturer's warranty policies on products manufactured by a 3rd party. All broken or claimed defects will be replaced, credited or repaired depending on manufacturer's policy. Abuse, misuse, or altered items are not covered. Freight charges on new & defective tools are the sole responsibility of the customer unless otherwise stated in applicable manufacturer's policy.

Limited Warranty on Seller's House Brand Products:

Seller's house brand products, including Prime Guard® and Mag 1®, may be eligible for additional warranties. Contact us for more information and to request a copy of Seller's limited warranty program. Terms, conditions, and limitations apply.

Restocking Charge:

Merchandise returned for credit will be subject to a 25% handling charge, unless such return occurs due to Seller error. Customer is responsible for appropriate freight charges.

Back Orders:

We do not process backorders. Shortages need to be reported 14 calendar days from receipt of goods.

TERMS & CONDITIONS (CONTINUED)

Intellectual Property:

All content included in this catalog, such as text, graphics, logos, images, as well as the compilation thereof: i) is the property of Seller or ii) belongs to a 3rd party and is used in accordance with approvals obtained by Seller. The content in this catalog is protected by copyright and other laws that protect intellectual property and proprietary rights. You agree to observe and abide by all copyright and other proprietary laws, notices, legends or other restrictions contained in any such content and will not make any changes thereto. You will not modify, publish, transmit, reverse engineer, participate in the transfer or sale, create derivative works, or in any way exploit any of the content, in whole or in part, found in this catalog. The brands, trademarks, logos, and other in intellectual property herein is not for resale.

Indemnification:

You agree to indemnify, defend and hold harmless Seller, its officers, directors, employees, agents and third parties, for any losses, costs, liabilities and expenses (including reasonable attorney's fees) relating to or arising out of your use of or inability to use this catalog or related services or your violation of any applicable laws, rules or regulations. Seller reserves the right, at the indemnifying party's cost, to assume the exclusive defense and control of any matter otherwise subject to indemnification by you, in which event you will fully cooperate with Seller in asserting any available defenses.

Disclaimer:

Seller and its affiliates are not responsible for typographical errors, pictorial errors or pricing errors. Possession of this form does not constitute an offer to sell. Prices are subject to change without notice. Promotional prices noted in catalog are only valid during dates listed on the catalog. Promotional prices noted online are only valid during the active dates online.

Limitation of Liability:

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ALL INFORMATION PROVIDED HEREIN IS PROVIDED "AS IS" WITHOUT WARRANTY OR CONDITION OF ANY KIND. SELLER, ITS AFFILIATES, AND/OR ITS SUPPLIERS HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS WITH REGARD TO THIS INFORMATION, SOFTWARE, PRODUCTS, SERVICES AND RELATED GRAPHICS, INCLUDING ALL IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL SELLER BE LIABLE FOR ANY DIRECT, INDIRECT, PUNITIVE, INCIDENTAL, SPECIAL, CONSEQUENTIAL DAMAGES OR ANY DAMAGES WHATSOEVER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF USE, DATA OR PROFITS, ARISING OUT OF OR IN ANY WAY CONNECTED WITH THE INFORMATION HEREIN OR THE PURCHASE OR USE OF ITS PRODUCTS, BECAUSE SOME STATES/JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU. IF YOU ARE DISSATISFIED WITH ANY PORTION OF THIS CATALOG, OR WITH ANY OF THESE TERMS OF USE, YOUR SOLE AND EXCLUSIVE REMEDY IS TO DISCONTINUE USING SELLER'S PRODUCTS AND SERVICES.

Arbitration:

In the event the parties are not able to resolve any dispute arising out of or concerning these terms and conditions, this catalog, or the products described therein, then such dispute shall be resolved only by final and binding arbitration pursuant to the Federal Arbitration Act, conducted by a single neutral arbitrator and administered by the American Arbitration Association, or a similar arbitration service selected by the parties, in a location mutually agreed upon by the parties. The arbitrator's award shall be final, and judgment may be entered upon it in any court having jurisdiction.

California Proposition 65 Compliance Statement

In 2016, the State of California amended its Safe Drinking Water and Toxic Enforcement Act of 1986, known as “Proposition 65 or Prop 65.” Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that are known to cause cancer, birth defects or other reproductive harm. The State of California Office of Environmental Health Hazard Assessment (OEHHA) on August 31, 2016, adopted certain amendments to Article 6, Clear and Reasonable Warnings for California Proposition 65 which become effective on August 30, 2018.

Prop 65 warning requirements are dependent on the anticipated level of exposure to the Prop 65 chemicals, which result from the foreseeable uses of a product. The warning requirements will only apply if the foreseeable and intended uses of a product containing these chemicals are likely to result in exposures that exceed the “significant risk” or “observable effect” levels. A determination of “significant risk” or “observable effect” can only be made with full knowledge of the end uses and applications of the products.

The California Attorney General’s Office has stated that the following warnings, if properly displayed at the retail outlet, satisfies the clear and reasonable warning requirement of the statute. Provided below are the warnings with a symbol placed on packaging to identify products that have a chemical in the Prop 65 list.

For **Carcinogens:**

 **WARNING:** This product contains a chemical known to the State of California to cause cancer.

For **Reproductive Toxins:**

 **WARNING:** This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

For **Carcinogens and/or Reproductive Toxins:**

 **WARNING:** This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

 **WARNING:** This product contains a chemical known to the State of California to cause cancer and another chemical known to the State of California to cause birth defects or other reproductive harm.

California has published an expanded list of more than 900 chemicals covered by Prop 65, to review this list go to: www.p65warnings.ca.gov/chemicals

For more information about Prop 65, go to: www.p65warnings.ca.gov

This letter is to inform you that Highline Warren will be making the necessary changes on our product labels to comply with these new labeling requirements. Efforts like Proposition 65 are incredibly important to our company and raising our customers’ awareness is critical.

We thank you for your business.

Evolutionary Performance™

FMX® FRICTION MANAGEMENT FOR XTREME PROTECTION TECHNOLOGY

FMX® Technology creates strong, durable & high-performing oil that controls friction & keeps metal surfaces from coming into contact.

FULL SYNTHETIC

MAG 1® Full Synthetic Motor Oil is made from 100% pure synthetic base oil and our most advanced additive technology, so it provides our best, longest-lasting engine protection, fuel efficiency, strength and cleanliness.

SYNTHETIC BLEND

MAG 1® Synthetic Blend provides extra protection and peace of mind, compared with conventional oil. It provides unsurpassed protection, even in our lightest viscosities.

CONVENTIONAL

MAG 1® Conventional Motor Oil is formulated for older vehicles and/or high-temperature climates, if thicker oil is preferred.

HIGH MILEAGE SYNTHETIC BLEND

MAG 1® High Mileage Synthetic Blend Motor Oil is specially formulated to extend engine life for vehicles that have already exceeded 75,000 miles. It conditions seals, helps to prevent leaks, features superior oxidation stability, and provides extra protection against sludge, deposit buildup, and high temperatures. It also contains superior additives and properties that outperform conventional motor oils.

MAG 1® with FMX® Technology – Friction Management for Xtreme protection™ provides these benefits:

PRIME GUARD®

KEEPS YOU DRIVING

**PRIME GUARD IS QUICKLY BECOMING THE
AUTOMOTIVE AFTERMARKET'S BRAND OF CHOICE**

QUALITY | VALUE | CONVENIENCE

Exclusively available from

Have You Changed Your Wiper Blades Lately?

Wiper blades should be replaced every six months to a year or as soon as you notice a difference in driving visibility. When wiper blades no longer make proper contact with the windshield surface, they can begin to squeak, chatter, skip, smear, or streak reducing driving visibility.

SEE PAGE 231

for Complete Listing of
Rain-X Wiper Blades

EXTENDED DURABILITY. BETTER VISIBILITY. LONG-LASTING PERFORMANCE.

Rain-X® Longitude™ is engineered to perform in inclement weather conditions and withstand the elements, such as UV and ozone exposure, that cause rubber deterioration.

- Featuring easy-to-install UNCLICK™ adapter system for quick installation, and maximum application coverage to accommodate growing trends in OEM designs.
- Industrial-Grade T24.7™ Rubber
- Advanced Spring Beam Technology
- 3D Air Control System

PRE-INSTALLED UNIVERSAL ADAPTOR SYSTEM NO PACKAGED ADAPTERS REQUIRED

The Rain-X® Latitude® Wiper Blade is more than just a wiper blade. Applies a patented Rain-X® water repellent directly to your windshield.

Water Repelling Coating – Dramatically improves visibility as Rain-X® water-repelling technology is applied to the windshield by the wiper blades and lasts for months.

Easy Installation – First in class pre-installed, universal connector system

- installs in minutes and fits 95% of all vehicles on the road – No Adapters Required!

Advanced, Beam Style Technology – Premium blade contours to the curvature

- of the windshield for a smooth, virtually streak-free wipe.

All-Weather Performance – Synthetic blend rubber squeegee can withstand

- all extreme weather conditions for enhanced durability.

Reduced Noise & Wind Lift – Aerodynamic spoiler prevents wind lift

- and delivers quiet wipe.

The Rain-X® trademark is registered and licensed by Illinois Tool Works Inc.

DON'T FORGET THE WASHER FLUID!

Rain-X® Windshield Washer Fluid is formulated with advanced technology for streak-free cleaning power. The washer fluid applies water beading technology to your windshield for greater driving visibility.
